## Education Service District

### Mission Statement:

It is the primary mission of the Wallowa County Education Service District to furnish services which support state and local efforts to provide an efficient and high quality educational opportunity for each public school student residing in the constituent local districts of the Wallowa County Education Service District.

### Vision:

We work as a cooperative, creative team, dedicated to enhancing the learning of the communities children by designing and delivering services responsive to school district needs. Our services strive to demonstrate leadership, wise utilization of resources, cooperative relationships with school districts and other agencies, and a commitment to being a learning and evolving organization.

## Wallowa County

Wallowa County offers high quality education from preschool through high school, and beyond. Here, the whole community participates with the education of our children, and all county schools consistently receive the highest ratings from the State. Wallowa County kids have gone on to such universities as Stanford, Notre Dame, Harvard Medical School, West Point Academy, and honors programs at Oregon State, University of Oregon, and other fine schools.
